Packing and Shipping:

Packaging and Shipping of Nylon Wrist Watch:

The Nylon Wrist Watch comes packaged in a sturdy cardboard box, which is designed to protect the watch during shipping. The box is labeled with the product name and a barcode. Inside the box, the watch is nestled in foam padding to prevent damage. The box is then sealed with a tamper-proof seal to ensure that the product is not tampered with during shipping.

The watch is then shipped in a corrugated cardboard box with a pre-printed shipping label. The box is designed to protect the watch from damage during transit. The box is then sealed with tape and shipped to the customer's address.
